Boulders

Incredibly realistic climbing **Boulders** for all ages! Extremely durable, realistic, and lightweight.

FACT: "The easiest and least expensive boulder installation in the industry!"

Features:

- Durable and Rugged
 - Polymer based resin with a reinforced polyester interior.
 - One-tenth the weight, yet 25 times the strength of similar concrete boulders.
- Unsurpassed Aesthetic Appearance
 - Looks and feels like real granite rock.
 - Original molds from real rocks.
- Five Year Structural Warranty
- Ease of Installation*
 - Ships in one piece.
 - Simply lower into a wet concrete foundation.
 - Anchor bolts integrally attached at the factory.
- Handholds
 - Reduce the maintenance cost of repairing polished, over-used routes.
 - Rock-like, secured with stainless steel, anti-theft, security bolts. Stainless steel receivers cast into interior surface.
